

Certificate

TianJin Bohua Petrochemical Co., Ltd is proud to present this certificate to APEX GROUP regarding your high quality product and superb performance of Corpex plate type Combustion Air Pre-Heater EA-1105 delivered for 600 KTA PDH Project – China.

APEX 集团为天津渤化石化有限公司 60 万吨/年丙烷脱氢项目供货的 Corpex 板式燃烧空气预热器，质量良好，性能达到设计要求，我们特此签发此证明：
The superior mechanical design engineering and production execution guaranteed successful operation of equipment withstanding very large Combustion Air flows at 2.5 barg design pressure, bearing high seismic and external loads, all fitted into restricting site plot space.

该设备设计压为 2.5bar，空气流量大，外部载荷高，APEX 集团先进机械设计、制造工艺和生产制造确保了设备的成功运行，并满足了在有限的安装空间内完成组装。

APEX Group provided excellent support throughout the whole project. We are very satisfied with the installation, operation and the overall performance of the equipment.

整个项目执行过程中，APEX 集团提供了良好的技术支持！设备的安装、运行和整体性能均满足设计要求！
